

## At ACAP students work hard and play smart!

We all know that a balance between work and social activities is crucial. So during ACAP, we have daily activities to keep you engaged and build your network.

- Give back to your community through volunteering
- Create a connection with a professional mentor
- Experience our very own "What Not To Wear – Business Fashion"
- Express your creative side in a Talent Show – "Born This Way"

"I got my first internship at a global company because of my ACAP experience..."

-- Participant Evaluation, ACAP 2013

NABA Inc.  
Twin Cities Chapter

*"I learned a lot from participating in the ACAP program. I have a better idea of what I want to do in the future, which includes a career in accounting or finance. Meeting professionals at the corporate office visits help me understand their roles and responsibilities."*

-- 2016 ACAP Participant

*"Thanks to this program, I now know how crucial my GPA for college acceptance, how to create a professional business plan, what it's like to have a roommate, and how to improve my networking skills."*

## What's in it for you?

As a high school student, have you wondered about a college major? What could be your future career opportunities? Who to turn to with your questions about college? How to finance your education? Well, ACAP has the answers for you.

### *As a participant, you will...*

- Learn how to transition smoothly from high school to college
- Have a college counselor to assist you during the ACAP week
- Develop a mentoring relationship with college students and business professionals
- Become eligible for numerous scholarships
- Be exposed to professionals with finance, accounting, management and IT backgrounds

**We accept only 30 students!**

**Please share with high school students!**
